Category: Parent Governor
Appointed by: Elected by parents
Term of Office: 1 May 2016—30 Apr 2020
Committee: Finance and Environment
Specific Responsibility: English

Vice Chair of Finance & Environment

Personal Profile

I am a Parent Governor with a daughter in the Infant School. I want her and the other children to get the best possible start in life in a friendly, inclusive and stimulating school. The school is already “good” but with the right support I know it can be “outstanding”. As a Parent Governor, I intend to help the school to establish high expectations of all its pupils with the aim of achieving an outstanding status in the future.

Professionally, I have a Master’s degree in chemistry and 20 years’ experience in scientific and regulatory publishing. I feel passionately about the need to introduce children to the wonders of science at a young age as I am keenly aware that it was the enthusiasm of my primary school teachers that initiated my life-long interest in science.

I have also served on the Committee of the Wyke Regis Pre-School for about 2.5 years, most recently as Chairperson. This has given me a little insight into the functioning of a childcare establishment, the requirements of Ofsted, and what is needed to comply with a school’s legal obligations.

In my role as a Parent Governor, I will work with enthusiasm and dedication to represent the views of parents and support the staff to develop the best possible school for our children.
