

Name	Mr J Stanley
Category	Foundation
Appointed by:	Diocese of Salisbury
Term of Office	2018-2022
Committee	Finance and Environment
Specific Responsibility:	Premises

Personal Profile

I have been a School Governor since 2010. My links with the schools go back to when my own children were taught here over 30 years ago and now one of my grandchildren is a pupil in the Infant School.

MY BACKGROUND

After leaving school at 15 years of age, I worked at a number of unskilled jobs until I joined the Royal Marines, leaving them after 7 years. I then worked for the Government in various supervisory and management levels until I retired.

I am a Foundation Governor which means I have been appointed by the local church and as such, the Salisbury Diocese. Therefore, I have a concern for the Christian ethos of the Junior School.

I am a member of the Finance and Environment Committee and am also involved in the monitoring health and safety in both schools

MY CURRENT INTERESTS

I am involved in the local Church and also enjoy English social history, music, gardening, travelling and the countryside.
