

Name	Mrs J Sonner
Category	Associated Member
Appointed by:	Governing Body
Term of Office	2 Sep-2018 – 1-Sep-2022
Committee	School Improvement

Personal Profile

I started with the Federation in September 2013. For the first 2 years I was employed as Head of School at the Infant school and Nursery having previously taught at another local Dorset school where I had responsibilities for the Foundation Stage and whole school curriculum and assessment. From September 2015 I have been working across both schools as Deputy Head of Federation.

I am thoroughly enjoying the new challenges this brings, quickly getting up to speed with the Key Stage 2 curriculum and keeping up to date with the ever changing national face of education. As such being part of the school's Governing body allows me to fully support the HOF with our ongoing federation drive for school improvement.

I am passionate about providing education of the highest quality for all of our children whilst remembering that each child is an individual within our large and busy school. This means considering their different starting points as they begin school, any special needs they may have and providing a wide range of teaching and learning strategies and experiences which will inspire and support them all. As such we aim to prepare them for the exciting opportunities and challenges that they will face at secondary school and beyond.

I am fiercely proud to be part of the federation and to work with such a dynamic and professional team of teachers, governors and support staff, all of whom are similarly dedicated to improving the educational outcomes and life choices for all of our pupils here at Wyke.
