Year 6 Science Week – Cool Chemists

Dear Parents/Carers,

Next week, we have an exciting science week planned which focuses on the properties of materials. Throughout the week, children will become 'cool chemists' and plan, carry out and evaluate a variety of exciting investigations.

The children would love to share their learning with you and would like to invite you to the 'Cool Chemists' Science Fair' from 2pm on Friday 18th October.

We look forward to seeing you next week.

Regards

Miss Clark, Mr Cooper and Miss Hanger
