

The Year One Team would just like to say another warm welcome to you all. The children have settled in really well over the last couple of weeks and had a fantastic Wild Rumpus Day on Friday.

Do have a look at the attached Topic Web which has information about what we will be learning this term as well as another dressing up date.

All of Year One have PE on a Friday so please make sure your child comes in in their PE kit on that day. As the weather gets colder they will need jogging bottoms as well as their jumper/cardigan.

Sadly, we can't run our stay and learn sessions as we would normally but luckily for you we will record it and post it on Tapestry so you

don't miss out. We're brushing up on our acting skills as I write this!

We aim to post one every 3 weeks, starting next week.

Any other questions please do ask.

The Year One Team
