

English

Fiction text: The Wretched Stone by Chris Van Allsburg. Children will explore plot development and write their own stories.

Non-fiction text: instructions. Children will write instructions linked to the Wretched Stone and cross-curricular activities.

Creative Curriculum – Building a Team

A variety of activities designed to develop teamwork skills, such as co-operation, negotiation and collaboration.

Our **curriculum drivers** this term will be positive relationships and teamwork.

The **British values** we will be focusing on are democracy, mutual respect and individual liberty.

The **Christian values** we will be focusing on are generosity and thankfulness.

Maths

Place value activities up to 10 000 000, including rounding and negative numbers.

Use efficient written and mental recall methods for all 4 operations (+ - x and ÷).

Solve real life problems involving addition, subtraction, multiplication and division.

Science – Cool Chemists

To plan and carry out scientific enquiries around the properties of materials, including: dissolving, separating materials and reversible and irreversible changes.

We hope to present a virtual Science Fair on google classroom to share our learning with parents.

Year 6 Autumn 1 Building A Team

RE - Is anything ever eternal?

This is a topic from Discovery RE where the children will explore and discuss theological ideas.

Design and Technology – Dragons' Den Shelter Building Project

Children will investigate different types of shelters; explore which 3D shapes make the best structures for a shelter; experiment with using lashings to create a 3D structure then plan and design their own shelter.

This will culminate in a shelter building day on the field where they will work as a team to build their own shelters. This will be on Friday 16th October (weather permitting).

PE

Teambuilding and invasion games

To plan, use and adapt strategies, tactics and compositional ideas for paired, small-group and small-team activities.

Jigsaw - Being Me in My World

Children will take part in activities which will help to develop their teamwork skills, set up the learning environment and agree our class charter.
