Spring Term 21 Update Number 5

Dear Parents and Carers,

I start with a thank you to all those parents who contributed to our on-line survey this week. The results are very positive and we have been looking at some of the feedback comments too which will help us to tailor our offer for you and the children. I am so pleased that parents recognise the hard work of the staff during this time and your comments are testament to this. We will share the results with staff and parents next week.

Whilst we are really keen to support all parents and pupils in whatever way we can, can I just remind you that teachers will not respond to emails and messages in the evenings or at weekends. A lot of staff have their own families with young children so are also balancing the demands of school with their own home learning challenges.

This morning we have judged the first competition and home delivered a family treats prize to each of the winners. This competition is running every week up until Easter so do encourage your children to take part! There are prizes for every year group. Look out for next week's challenge on Monday morning as well as the winning picture on our Facebook page. Well done to the following pupils: -

FS2 – Lilia Sumbly
Y1 – Orla Ginnifer
Y2 – Tink Marks
Y3 – Mylie Nicholson
Y4 – Katey Miller
Y5 – Jamie Barron
Y6 – Oscar Harris

I will be ordering a further batch of laptops from the DFE next week – do please let us know if you would like an additional device.

The last of the PE hoodies have finally arrived from Portugal. Those children in school will be given theirs next week and those at home will receive theirs when they return. The children look really smart on PE days – a reminder that only black PE bottoms should be worn on those days please.

Take care and stay safe everyone,

W. Roberts
Head of Federation
