

RE

Kingdom of God

Investigating the key question: what kind of king is Jesus?

- Explain connections between biblical texts and the concept of the Kingdom of God.
- Consider different possible meanings for the biblical texts studied, showing awareness of different interpretations.
- Make clear connections between belief in the Kingdom of God and how Christians put their beliefs into practice.
- Relate Christian teachings or beliefs about God's Kingdom to their own lives and the life of their own community.

PSHE

Changing Me unit which includes:

- self and body image
- puberty, physical and emotional changes
- babies - conception to birth
- attraction
- transition to secondary school

Additional visits from the Mental Health Support Team linked to transition to secondary school.

English

Investigating recounts in the form of newspaper articles, focusing on:

- Reported and direct speech
- Levels of formality

A study of 'Framed' by Frank Cottrell Boyce.

Computing (continued from summer 1)

Through coding software, such as Scratch:

- Create and explain how simple algorithms work and detect and correct errors.
- Design, write and de-bug programs that accomplish specific goals.
- Work with variables and sequence and repetition in programs.

Use these skills to design and program a game for Alex Rider's Nintendo DS.

Science

A range of scientific investigations to continue to develop their enquiry skills such as:

- planning different types of scientific enquiries
- taking measurements with increasing accuracy and precision
- recording data and results of increasing complexity
- using test results to make predictions to set up further comparative and fair tests

Fair Trade

Learn about the global economy and understand people's experiences of living in less economically developed countries.

PE

- Athletics
- Striking and fielding games
- Outdoor education day at PGL in Osmington

Important Dates

- 5th July 8am – 6pm PGL day trip
- 6th July secondary school transition day
- 14, 15 and 16th July Primary College
- 22nd July 6-8pm Leavers' party & BBQ
- 23rd July – End of academic year (1:05pm)

Moving On Up!
Year 6 – Summer 2

Mathematics

Develop our fluency and understanding of:

- The relationship between fractions, decimals and percentages
- Algebra
- Ratio

Explore projects drawing on a range of mathematical understanding.
