

<p><u>English</u> Instructional Texts: We will be learning how to identify the key features of an instructional text before writing our own instructions for how to have a super healthy day.</p> <p>Openings and Endings: We will be exploring how authors use the openings of their stories to grip the reader and the endings of stories to conclude in an interesting way.</p>	<p><u>Maths</u> Place Value: We will be representing numbers to 100 and then 1,000 in different ways, comparing objects and numbers up to 1,000 and ordering numbers to 1,000 on number lines. We will also be finding 1, 10 and 100 more than a given number and counting in 50s.</p> <p>Addition and Subtraction: We will be learning how to use the formal column methods to add and subtract 2 and 3 digit numbers.</p> <p>We will be using what we have learnt to solve a range of mathematical problems.</p>	<p><u>Science</u> We will be exploring our own bodies and learning about how our bones and muscles support and protect us and help us to move in a variety of different ways.</p> <p>We will also be learning how our skeletons compare with those of other animals and exploring the similarities and differences between them.</p> <p>We will be grouping animals according to what they eat and learning how the correct nutrition is important to all animals.</p>
<p><u>PSHE</u> – Healthy Me We have linked our Jigsaw learning with DT and Science. We will be learning how to keep ourselves healthy and happy. We will also be writing our Class Charter together and thinking about what values are important to us.</p>	<p>Autumn 1 - Happy</p> 	
<p><u>DT</u> We will be learning all about a healthy diet, focusing on investigating and analysing a range of different breakfast cereals. We will use what we have learnt to design, make, eat and evaluate our own healthy breakfast.</p>	<p><u>RE</u> We will be exploring the question – What is the Trinity?</p>	<p><u>Art</u> We will be learning how to use our sketch books and experimenting with different types of shading.</p> <p>We will also be exploring the work of different famous portrait artists, looking at how to draw different facial features.</p>
<p><u>Home Learning</u> Please read at least three times a week with your child and practise their weekly spellings with them. Please could your child do at least 10 minutes of Times Tables Rock Stars each day. There is also a very fun home learning project – more information to follow.</p>	<p><u>PE</u> Tennis and Team Building Games</p>	<p><u>Computing</u> We will be learning how to independently log on to our computer network and keep ourselves safe when working online. We will also be exploring the different computer programs that we use at KS2 such as TTRS and Accelerated Reader so that we feel confident when using them independently.</p>
