25/11/21

Dear Parents and Carers,

I am writing to update you with our current case situation since last Friday's report to you all – so you have updated information on each class. Please note this does not include lateral flow tests because we do not issue close contact (class) letters until a positive case is confirmed. PCR tests are vital if close contact letters are received.

- There are 4 positive cases at the infant site – two in year 2- 2CL and 2SM; and two in Nursery.
- There have been 18 positive cases at the junior site this week – 6C-1, 6S-5, 6D-2, 5C-5, 4J-1, 4S-1, 3CR-2, 3B-1.
- From tomorrow Friday 26th November we will issue daily texts on class cases so you have up to date information. No text means no cases. Please do not send children to school if unwell.

Public Health Dorset are consulted regularly and have advised we are doing everything we can in school but they have recommended that all siblings should be PCR tested at the same time and kept away from both schools until a negative result is received; regardless of whether they are well or not.

Thank you for your continuing support with our management of COVID.

Mrs. W Roberts
Head of Federation
