## Personal Profile

I am a qualified accountant and have worked as a finance manager in an engineering company for over nine years. I decided to become a school governor as it's an excellent opportunity to be involved with the school and to contribute to the great work of the governing board.

I also feel that education is very important in every child's life which is another reason that I decided to take on this role.

I have two children who currently attend Wyke Regis Primary Federation and have lived in Wyke Regis since 2017.
