

<p><b><u>English</u></b>  <b>Character descriptions:</b> We will be learning how to write truly amazing character descriptions. We will be using the book Flotsam by David Weisner as a starting point. This is a very unusual book as it only contains pictures.</p> <p><b>Recount:</b> we will be learning how to write non-fiction recounts. We will focus on our planning skills and the specific language we need to use to make our writing interesting.</p>	<p><b><u>Maths</u></b>  <b>Fractions:</b>  We will begin the half-term by revising and recapping some objectives covered in Year 2 - recognising and finding fractions of shapes, objects and numbers, before moving on to adding, subtracting and comparing different fractions.</p> <p><b>We will be using what we have learnt to solve a range of mathematical problems.</b></p>	<p><b><u>DT</u></b>  To take us on our journey we will be making a small bag. We will be learning how to sew two pieces of fabric together and exploring the different fastenings that we could use to keep our bag closed.</p> <table border="1" data-bbox="1458 319 2145 550"> <tr> <td data-bbox="1458 319 1720 550"> <p><b><u>French</u></b>  We are going to be learning a range of vocabulary about transport.</p> </td> <td data-bbox="1720 319 2145 550"> <p><b><u>PSHE – Aspirations (what do I want to be)</u></b>  We are going to be exploring a range of different careers and the skills needed to be successful in them.</p> </td> </tr> </table>	<p><b><u>French</u></b>  We are going to be learning a range of vocabulary about transport.</p>	<p><b><u>PSHE – Aspirations (what do I want to be)</u></b>  We are going to be exploring a range of different careers and the skills needed to be successful in them.</p>
<p><b><u>French</u></b>  We are going to be learning a range of vocabulary about transport.</p>	<p><b><u>PSHE – Aspirations (what do I want to be)</u></b>  We are going to be exploring a range of different careers and the skills needed to be successful in them.</p>			
<p><b><u>Music – 3H</u></b>  We will be going on a musical train journey (in the classroom). We will be singing and using tuned and untuned percussion instruments. We will also be improving our improvisation, composing and evaluating skills.</p>	<p style="text-align: center;"><b>Summer 1 – Journeys</b></p> 	<p><b><u>Science</u></b>  We are going to be learning about the different types of soil. We are going to investigate which is the best soil for growing different types of plants and designing and building our own mini-composters.</p>		
<p><b><u>RE</u></b>  We are going to learn about how Christians view God as a creator and how this affects the way they treat and live on the planet. We are also going to explore the Creation story in Genesis and consider what that means for us today.</p>	<p><b><u>Forest Schools – 3CR</u></b>  We are going to use our learning in science to experiment with growing different kinds of plants on different kinds of soil.</p>	<p><b><u>Computing – 3B</u></b>  We will be learning all about digital and non-digital devices and how we use them safely. We will also be learning all about how networks are created and used to join people together.</p>		
<p><b><u>PE</u></b>  Rounders – we are going to learn the skills needed for a jolly good game of rounders. We are going to also learn all about teamwork and how working together as a large team feels.  Athletics – we are going to be learning how to throw a javelin before improving our short distance and long distance running skills.</p>	<p><b><u>Geography: volcanoes and mountains</u></b>  We are going to continue to learn all about our incredible planet. This half-term we are going to be exploring how archipelagos are created and learning about how humans adapt to living near volcanoes. We are also going to explore how mountains are created and discover where some of the most famous mountains in the world can be found.</p>	<p><b><u>Home Learning</u></b>  Please read at least three times a week with your child and practice their weekly spellings with them. Please could your child do at least 10 minutes of Times Tables Rock Stars each day.  <b><u>Google Classroom</u></b>  Check out Google Classroom for weekly updates, news and activities.</p>
