

<p><b>English</b>  <b>Openings and Endings:</b>  We will be exploring how authors use the openings of their stories to grip the reader and the endings of stories to conclude in an interesting way. We will be using 'The Couch Potato' by Jory John as a starting point before writing our own amazing stories.</p> <p><b>Instructions</b>  We will be reading a variety of different instructional texts to find all the key features of this type of writing. We will then be using what we have discovered to write our own instructions focused on how to do a variety of things to keep ourselves fit, healthy and well.</p>	<p><b>Maths</b>  <b>Place Value:</b>  We will be representing numbers to 100 and then 1,000 in different ways, comparing objects and numbers up to 1,000 and ordering numbers to 1,000 on number lines. We will also be finding 1, 10 and 100 more than a given number and counting in 50s.</p> <p><b>Addition and Subtraction:</b>  We will be learning how to use the formal column methods to add and subtract 2 and 3 digit numbers.</p> <p><b>We will be using what we have learnt to solve a range of mathematical problems.</b></p>	<p><b>Art</b>  We are going to explore different ways of shading, before moving on to use these skills to create self-portraits in the style of Leonardo da Vinci.</p> <p><b>French</b>  We will be learning how to greet each other in French. We will also be setting up and learning how to use our French vocabulary books.</p> <p><b>PSHE</b>  We will be learning how to keep ourselves fit, healthy and well.</p>
<p><b>Science:</b>  We will be exploring our own bodies and learning about how our bones and muscles support and protect us and help us to move in a variety of different ways.  We will also be learning how our skeletons compare with those of other animals and exploring the similarities and differences between them. We will be grouping animals according to what they eat and learning how the correct nutrition is important to all animals.</p>	<p><b>Autumn 1 – What's Inside!</b></p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div>	<p><b>Computing –</b>  We will be learning how to independently log on to our computer network and keep ourselves safe when working online. We will also be exploring the different computer programs that we use at KS2 such as TTRS and Accelerated Reader so that we feel confident when using them independently.</p>
<p><b>RE – Hinduism</b>  We will be investigating the Hindu festival of Diwali and thinking about this festival gives Hindus a sense of belonging</p>	<p><b>Music –</b> Based on the song 'I've been to Harlem' - traditional pentatonic song about travelling around the world.  We will be using it to invent cup rhythm games, explore pentatonic melodies from around the world, sing as a round and compose ostinato accompaniments.</p>	<p><b>Home Learning</b>  Please read at least three times a week with your child and practise their weekly spellings with them.</p> <p>Please could your child do at least 10 minutes of Times Tables Rock Stars each day.</p> <p>We will also be sending home spellings for your child to learn each week. These will either be focused on a sound we have been learning in</p>

<p><b>PE - Tennis and Tag Rugby</b> We will be learning the key skills needed for both sports before using these skills to play simplified versions of the games. We will be focusing on what a good team member is and focusing on playing as a team.</p>	<p><b>History - Local Study</b> We are going to be exploring the history of All Saints Church. We will be learning about its role in the community and as a place of worship throughout the centuries. We will also be thinking about how the Church is used in the present day and making links between worship in Church and worship in school.</p>	<p>class, a spelling rule or a personalised list of words that your child is practising in class.</p>
