November 2023

Dear Parents & Carers,

I am writing with some November workshop news from the Friends of Wyke Regis committee.

We are really pleased to be able to offer the following fundraising workshops this month.

For National Self Care week we are hosting a wellbeing workshop on **Thursday 16th November 7-9pm**. This candle lit event will include Yoga Nidra (guided meditation), Gong sound bath and refreshments. It will be an opportunity to escape the hustle and bustle of everyday life and experience total relaxation. Tickets are just £10.00. You can find more information and book a space via the link below.

We are excited to be hosting a Festive Wreath making workshop on **Friday 1st December 7-9pm**. Come and join us for this fun and creative evening of wreath making. Ticket price is £25.00 and includes demonstrations and all the materials needed to create a gorgeous wreath along with festive refreshments.

Spaces are limited for both workshops, so tickets are available on a first come basis and can be booked via this link <https://www.pta-events.co.uk/friendsofwykeregisfed>

In other news we are also pleased to be offering 2 recycling events this November.

We have organised a clothing collection via Bag2school. They provide clear bags which will be sent home later this month to be filled with any kind of clothing. The donations are then collected from the school ready for upcycling. This is an opportunity for anyone having a pre-Christmas clear out to make donations. More information coming soon.

Following on from our successful book donation and sale event last summer, we plan to run an additional event this November. Another great opportunity to clear out in time for Christmas and for your child to choose a new book/s. More information coming soon.

Yours faithfully
The Friends Committee
